

Think Outside the Plastic Bag

Did you know that when you bag your recyclables, all your good recycling work could be going to waste? It's time to 'think outside the plastic bag' and empty recyclables directly into your recycling container. If you collect recyclables in plastic bags at home, remember to empty those bags directly into your recycling container before taking it to the curb. You can drop off loose plastic bags at many local retailers. So, the next time you recycle, remember to think outside the plastic bag. Visit Recycle Often, Recycle Right dot com to learn more.
